

first 8 types 7 is our and 8 is costumes their own

Absolutely! Here's a clear layout with descriptions for **8 types of Kurthis**: the first 7 are your curated suggestions, and the 8th is the customer-customizable design.

Kurthi Styles — 8 Options

1. **Straight Cut Kurthi**

A sleek, straight-line silhouette that offers timeless simplicity and grace. Easy to style for work or everyday outings, it's a must-have in every wardrobe.

2. **A-Line Kurthi**

Flattering on all figures, this kurthi flares gently from the bust for a feminine, easy-to-wear shape. A favorite for both daily comfort and refined style.

3. **Anarkali Kurthi**

Showcasing a fitted top and wide, flaring hem, the Anarkali Kurthi adds a regal touch—perfect for celebrations and festive occasions.

4. **Angrakha Kurthi**

Featuring a distinct cross-over front panel tied at the side, the Angrakha Kurthi brings a hint of Mughal-era elegance and a stylish layered look.

5. **High-Low Kurthi**

With a stylish hemline that's shorter in front and longer at the back, the High-Low Kurthi offers a touch of modern flair while remaining easy to wear.

6. **Empire Waist Kurthi**

This design has a fitted bodice ending just below the bust, flowing into a relaxed bottom for added comfort and a gentle, graceful silhouette.

7. **Kaftan Style Kurthi**

Inspired by traditional kaftans, this breezy kurthi features loose, flowing fabric—ideal for a relaxed yet fashionable statement.

8. **Customize Your Own Kurthi**

Didn't find your perfect style? Bring your ideas to life! Share your custom design preferences, sketches, or inspiration images, and our expert tailors will create a one-of-a-kind kurthi just for you.
